REALTY EXECUTIVES

Step inside this 2022 modern organic masterpiece feel it wrap you in warmth, light, and quiet sophistication. Every surface, every detail, speaks of intention. Designed to instill an undeniable sense of calm. Curated for a soothing yet sophisticated lifestyle, from the warm, wood floors underfoot to the gentle glow of designer lighting above. The ambiance is elegant, moody, modern organic, a perfect blend of refined luxury and livable comfort. The chef's kitchen is a dream, complete with Sub-Zero and Wolf appliances, a butler's pantry/prep kitchen to keep everything pristine when entertaining. The split floor plan offers 5 spacious all ensuite bedrooms, each with generous closets, giving everyone their own private retreat. The primary suite is truly a sanctuary, with a spa-inspired bath, soaking tub, and an oversized 10' x 18' closet w/built ins, washer & dryer. An adjoining flex room is ideal for a study, yoga space, or massage room. Thoughtful architectural details, steel beams, custom fixtures, and light in all the right places bring depth and texture to every room. Step outside, and the serenity continues. Lush greenery surrounds the resort-style backyard, offering complete privacy as you enjoy the sparkling saltwater pool, heated spa, custom splash pad for kiddos, built-in grill, and views of Piestewa Peak. The Smart Home system elevates the living experience to new heights as it's integrated through out the home and exterior.
